

City Councilor David Alves  
New Bedford City Council  
New Bedford, MA

June 13, 2007

Dear Councilor Alves,

Once again, thank you for participating in October 2005 Candidates' Night at Mount Carmel Parish. Our community appreciated learning your positions on important issues and how you planned to address these problems.

Our civic involvement is not limited to one evening's debate between candidates but rather an on-going exchange between our elected officials and the community. In that light, we wish to know what action has been taken regarding the important points you raised during your presentation.

Specifically:

- Improving policing: You stated that you would increase neighborhood patrols and assign more officers to troubled neighborhoods
- Adult Education: You said you would increase the number of GED classes and pressure the school board to improve adult education
- Children: You said you would keep community centers open for more programs to keep children off the streets
- Snow: You stated that that city should improve coordination to have better snow removal

A brief answer to these questions – not more than one page - would be appreciated. Please reply at your earliest convenience to the Immigrant Assistance Center at the address listed above.

We plan to compile into a composite report all of the responses from the Candidates' Night participants who were elected in the November 2005 City Election.

After we have completed this report, but before it is made available to our community, we will send you a copy so that you can ensure your views and actions are accurately presented. Finally, we will translate the responses into Portuguese.

If you have any questions, please do not hesitate to call me at 508-996-8113.

Sincerely,

Helena Marques
