June 13, 2007

Dear Councilor Lawrence,

Once again, thank you for participating in October 2005 Candidates' Night at Mount Carmel Parish. Our community appreciated learning your positions on important issues and how you planned to address these problems.

Our civic involvement is not limited to one evening's debate between candidates but rather an on-going exchange between our elected officials and the community. In that light, we wish to know what action has been taken regarding the important points you raised during your presentation.

Specifically:

- Improving policing: You stated that you would reinstate gang units, improve policing, add surveillance cameras in neighborhoods, and reopen the North and South End police stations
- Adult Education: You said you would support bringing GED classes to community centers and leave these community centers open at night for adult classes
- Snow: You stated that you would support any initiative to purchase proper snow removal equipment

A brief answer to these questions – not more than one page - would be appreciated. Please reply at your earliest convenience to the Immigrant Assistance Center at the address listed above.

We plan to compile into a composite report all of the responses from the Candidates' Night participants who were elected in the November 2005 City Election.

After we have completed this report, but before it is made available to our community, we will send you a copy so that you can ensure your views and actions are accurately presented. Finally, we will translate the responses into Portuguese.

If you have any questions, please do not hesitate to call me at 508-996-8113.

Sincerely,

Helena Marques
