

City Councilor Leo Pimental
New Bedford City Council
New Bedford, MA

June 13, 2007

Dear Councilor Pimental,

Once again, thank you for participating in October 2005 Candidates' Night at Mount Carmel Parish. Our community appreciated learning your positions on important issues and how you planned to address these problems.

Our civic involvement is not limited to one evening's debate between candidates but rather an on-going exchange between our elected officials and the community. In that light, we wish to know what action has been taken regarding the important points you raised during your presentation.

Specifically:

- **Adult Education:** You said you support more English classes for adults and place pressure on industries to provide these classes to their employees to improve productivity
- **Budget:** You stated that if any budget cuts had to be made, there would not be cuts to the city's library system
- **Waste:** You stated that youths should be educated about proper waste disposal

A brief answer to these questions – not more than one page - would be appreciated. Please reply at your earliest convenience to the Immigrant Assistance Center at the address listed above.

We plan to compile into a composite report all of the responses from the Candidates' Night participants who were elected in the November 2005 City Election.

After we have completed this report, but before it is made available to our community, we will send you a copy so that you can ensure your views and actions are accurately presented. Finally, we will translate the responses into Portuguese.

If you have any questions, please do not hesitate to call me at 508-996-8113.

Sincerely,

Helena Marques
